For the moment being we have one marvellous Apartment available.

The one floor Apartment is located on the 2nd floor, has 4 rooms, 160 sq.m. and is very cozy because of huge windows. It is all coloured in white and has natural mahogany floor, owns the fantastic authentic hearth coming from XVII century in the living room, and has high ceiling.

There is separate spacious kitchen with dining room, living room with the authentic hearth, main bedroom, guest bedroom, dark room and two bathrooms in the Apartment.

Very lovely Apartment with a view to private courtyards. Apartment is full equipped with furniture, appliances, bedding, towels, kitchen goods.

Closed courtyard with video-recording security. Private parking space.

Every Apartment is provided with Satellite TV, fiber internet, telephone line. Security company takes care of each Apartment when residents are away.

Additional services we may offer next to our day-to-day free of charge service: spring water, dry cleaning, apartment cleaning, etc.

Our Apartment is the perfect option for easy living in Vilnius Old Town, where all areas needed are easy reached on foot (e.g. quiet location; shopping and transport convenience; proximity to schools), and the area is safe and calm itself. All the neighbours of our house are diplomats or managers of international companies, so the neighbourhood is calm and safe.

We have only long term rent (12 months and more, usually 48 months) and people change not often.

Here, at Sv. Ignoto 5, we can guarantee competitive pricing and space, independence and privacy, and extra services and our free-of-charge staff help.

All our Apartments may be leased fully-furnished, half-furnished or unfurnished.

We can offer ozone cleaning service for Apartment once per two months. It is very effective in the way even hospitals use this method to avoid any possible germs living. Also we keep Apartments cleaning with non-allergic cleansers/detergents.

If you are looking for a perfect place to call home in Vilnius, contact us to see what we can do for you.
